

Rutgers, The State University of New Jersey
Office of the University Controller
Division of Grant & Contract Accounting

New Jersey Marine Sciences Consortium
Research Grants

The following are general guidelines for this agency. Please see Notice of Grant Award for specific terms & conditions. It is the responsibility of the Principal Investigator to see that all requirements are met. The services of the Office of Research and Sponsored Programs (ORSP) and the Division of Grant & Contract Accounting (DGCA) are available to assist the Principal Investigator in accomplishing this.

Scientific Reporting Requirements:

See terms and conditions of awards for specific reporting requirements. In general, the recipient is required to submit performance/technical reports in triplicate (original plus two copies) to the Federal Program Officer on a semi-annual basis for the periods ending March 31 and September 30 (or any portion thereof) within 30 days of the end of reporting period. Unless otherwise specified in the award provisions, performance/technical reports shall contain brief information as prescribed in the applicable uniform administrative requirements incorporated into the award. A final performance/technical report is due within 90 days of the termination of the award.

Budget Considerations & No Cost Extensions:

- Approval for all **No Cost Extensions** must be requested in writing from NJMSC at least 30 days prior to end of budget period.
 - **Budget Modifications:**
 - Transfers of funds among direct cost categories are permitted when the cumulative amount of such transfers does not exceed 10 percent of the current total budget. Cumulative transfers which exceed 10 percent must be approved by NJMSC in writing.
 - Transfer of funds from direct cost categories to indirect/F&A costs line, or vice versa, is not allowed at any time.
 - Pre-Award Costs are allowed with NJMSC approval
-
